Mille Luci

Like precious sparks, they attract attention
and lead her to the most elegant and personal details.
The color reveals taste and character, only enhanced by delicate shapes.
A sort of magic aura reflects off the body and fascinates the beholder.

A small window on the world that lets beauty in
with a ray of sunshine and spreads it outward in A Thousand Lights.

Symbols are means of recognition that recall a passion,
a desire, a way of wanting to express oneself.

Evocative signs that tell a story.

Some icons represent clear concepts,
